

STOP RADICAL ABORTION LEGISLATION RALLY

SATURDAY, MARCH 12, 2022

11:00AM – 12:30PM

WEST SIDE OF STATE CAPITOL

COLORADO STATE CAPITOL | 200 E. COLFAX AVE. | DENVER, CO 80203

Come let your voice be heard! HB22-1279 Reproductive Health Equity Act (RHEA) violates the fundamental right to life for millions of pre-born children. We must show Colorado lawmakers that Coloradans **do not** want to live in the most radical abortion state in the country.

If enacted, HB 1279 RHEA will:

- 1 Allow on-demand abortion for the full 40 weeks of a pregnancy
- 2 Allow abortion discrimination based on sex, race, or children with disabilities such as Down Syndrome
- 3 Potentially remove the parent notification requirement if their minor receives an abortion
- 4 Enshrine in law that “a fertilized egg, embryo, or fetus does not have independent or derivative rights under the laws” of Colorado
- 5 Prohibit regulation of abortion based on the health of the woman or her baby
